Thank you for your support!

This year for our Start Small Dream Big Project, our children and staff worked as a team to diligently create art work related to saving the rainforest and wildlife conversation. We held joint carnivals in July and August for 4 of our centres to raise funds for Singapore Cancer Society. In total across our 4 centres, we raised over \$4600!! This is an incredible achievement, and on behalf of Singapore Cancer Society and Little Sage, we are deeply grateful for your generous support and contribution towards such a great cause. Since we started preparing for this 4 months ago, our children are able to learn that through hard work, commitment, and team work, they can have fun, empower themselves while serving a meaningful purpose. They also understand that money needs to be earned and that it is a tool to better the lives of others and make this world a better place.

Aside from our parents and our children, we wholeheartedly thank our teachers and staff for their tremendous passion and effort. Aside from their daily responsibilities, they put in sweat and own time to plan for the event, setup and manage the logistics. If you have not done so, please do take a moment to kindly thank the teachers or send them a message. That would mean a lot to them.

Kind Regards,
Ms Linda, General Manager
On behalf of Little Sage Administration
